Everyone at Steelstown P.S. & Nursery Unit wishes to say a special thank you to our Primary 7 boys & girls for all they have done over the years & to their wonderful contribution to Steelstown Primary School. It has been a great privilege to have each child in our school.

We also wish to thank our parents for choosing Steelstown Primary School and for trusting us with their child's education. Our school is certainly better for having each family as part of our school family. We wish the boys & girls every success in their new school.
