Steelstown Primary School

Family Environment Day

**Volunteers
Needed**

**Saturday 9th April
11am—3pm**

We are hoping to have Spring Clean Up in Steelstown P.S. on Saturday 9th April from 11am till 3pm . We understand that everyone is busy and have commitments at weekends but if we get plenty of volunteers it won't take too long to get the jobs done.

If you think you can spare any time please fill in the accompanying rota and tick the appropriate time and return to the school by Wednesday 6th April.

It would be useful if a friend/ family member has power washer , strimmer, garden shears, brushes, black bags etc. and bring them along with you on the day .

****We also hope to have a group sewing costumes for our upcoming 50th Anniversary show stoppers. We would appreciate volunteers to come with their seeing kits to help out.**

All help , no matter how small is greatly appreciated.

Volunteers to provide refreshments at lunch time would also be greatly appreciated.

I will/will not be available on the day of the clean-up.
